Finca for sale

Los Guajares, Costa Tropical, Spain

ID#: 214757

Description:

The name Los Guájares is derived from the Moorish word for steep slope - no wonder then that the white village on the south-western foothills of Sierra Nevada is enthroned on terraced plantations that are more reminiscent of the Hanging Gardens of Babylon than of the usually rather harsh nature in Andalusia. In the middle of this enchanted landscape you will find this no less enchanted 30.000m² Finca with its typical stone houses and walls. T...
