Finca for sale

Almayate, Costa Tropical, Spain

ID#: 214852

Description:

The coast of Almayate with its authentic beach bars surrounded by reeds is probably the only remaining natural oasis on the Costa del Sol... and it is located only about one kilometer away from this 130m2 finca with a plot of 6.900m2 - sea view included. With a little imagination and love, this quaint property can be turned into a true pearl. The large, west-facing plot could, for example, be designed as a park with natural pond or planted wit...
